

Complete in completeness

'Enough is enough...'

I loved a doll-like-lass
A doll-like-lass played with me!
She was doll is the fun
& She played is the irony!

Always wearing a magical smile
And focused intelligent eyes
Aroma rushing a mile
She won every knot & ties!

I offered her my heart
She asked for a knife red-hot!
I'm in your heart you say
I'll look it on the spot!
